

Tibor Hortobágyi

- Research professor
- Department of Kinesiology
- Management mandate: Research
- Year of birth: 1955

Qualifications, academic degrees

University degrees

- Hungarian University of Sports Science, Physical education and track and field expert coach diplomas
- University of Massachusetts, Amherst, MA – PhD in kinesiology

Academic degrees and titles

- PhD degree
- Professor

Professional career

Previous and current jobs, positions and titles

- Hungarian University of Sports Science – Assistant and associate professor, Research professor (current)
- East Carolina University, Greenville, NC – Professor
- University Medical Center Groningen, Groningen – Professor

Public activities at the university (board memberships, leadership positions)

- No such position held currently

Key study trips, missions

- University College London, Department of Physiology, 1984–1985
- Human Frontier Science Program, Neuroscience Australia, 2001
- National Institutes of Health, Bethesda, MD, USA, 2005–2006

Awards, titles, honors

- Doctor Honoris Causa, Semmelweis Medical University, 2005
- 2

Language skills

language	speaking skills	writing skills	reading skills	do you do media appearance?
English	Advanced	Advanced	Advanced	Yes
Dutch	Basic	Basic	Basic	No
Russian	Basic	Basic	Basic	No

Research, expert activities

Major subjects and topics taught

- Kinesiology
- Aging

Field and discipline

- Kinesiology
- Biomechanics
- Neuroscience

Current research topics

- Neuromechanical mechanisms of adaptations to exercise in health and disease

Former research topics

- Neuromechanical mechanisms of adaptations to exercise in health and disease

Key research

- Neuromechanical mechanisms of adaptations to exercise in health and disease

Membership of a scientific or professional organisation or body

- Society for Neuroscience
- American College of Sports Medicine

Editorial board memberships and positions

- Biomechanics, Editor in chief - 2022

- Medicine and Science in Sport and Exercise, Associate editor, 2020–
- Neuromechanics, Associate editor, 2021–
- Brazilian Journal of Motor Behavior, Associate editor, 2019–
- Experimental Gerontology, 2020–
- American College of Sports Medicine, Fellow

Expert advisory activities

- No such activities currently
